We are always trying to improve, and we need your help. Both NDES & SDES are seeking to earn Gold Star Certification through the State of Indiana for our school counseling programs. As part of this process, we need our students' input to help us improve. Please look for a letter and consent form coming home today with your child. We hope you will allow your student to participate in this one-time, anonymous survey to help us build the best programs we can for all our students.
